MAKSIM LUKIANENKO

SOFTWARE DEVELOPER

PROFESSIONAL SUMMARY

I am a budding software developer passionate about creating innovative and user-friendly applications. With a background in Software Development from Newham College, London, and additional training in CodeYourFuture, I have a solid foundation in JavaScript, React, Node.js, and database technologies.

I excel in problem-solving and logical reasoning, ensuring attention to detail in my work. Through collaborative teamwork experiences, I have honed my communication and collaboration skills. Additionally, I possess strong time management abilities to meet project deadlines.

Seeking a dynamic software development role to apply my skills and contribute to a forward-thinking team.

WORK HISTORY

CodeYourFuture, London, UK

Full Stack Developer Trainee: 08/2022 - Current

- Continued to develop JavaScript, HTML, and CSS experience.
- Created several projects in JavaScript and React, including responsive and functional web applications.
- Currently learning Node.js to build more complex and interactive web applications.
- Working with Node.js, Express.js, MongoDB, and Mongoose.
- Gaining hands-on experience in building scalable and efficient server-side applications.
- Integrating server-side applications with databases for seamless data management.

Imperial Recruitment Agency Ltd, London, UK

Event waiter: 07/2022 - Current

- Greeting guests as they arrive and escorting them to their tables
- Taking orders from guests and serving food and drinks
- Monitoring guest satisfaction and promptly addressing any concerns or complaints.
- Following all food safety and sanitation guidelines
- Working with the event coordinator to ensure a smooth and successful event.

IBS Dunice, Taganrog, Russia

Full Stack Developer Apprentice: 12/2021 - 02/2022

- Gained experience working with JavaScript, JQuery, HTML, and CSS to create a website with responsive web design and dynamic user interfaces.
- Learned how to work with Git for version control and collaborated with senior developers to troubleshoot issues, optimise code, and implement new features.
- Worked in an Agile development environment, which helped me build a solid foundation of technical skills and teamwork experience.

EDUCATION

Newham College of Further Education, London, 09/2022 - 02/2023

Level 3 Software Development Certificate

Level 2 Functional Skills English

HOBBIES

I enjoy reading to explore different worlds and perspectives.

Volleyball is my favourite way to compete and work as part of a team.

I have a passion for the performing arts and love experiencing the magic of live theatre.
